Hello Justin,

I'm not sure who the right person is to follow up on this.

The email below should have said OS equity instead of OIG.

Can you let me know the status?

Thanks,
Debra

Dear FOIA Officer,
This is in reference to a FOIA request regarding the Notice to Lessees No. 2016 N01.

Please review the material containing OIG equity for any foreseeable harm.

This folder contains:

- The request
- The material for review
- The spreadsheet listing each document

Please provide your release determination by COB Friday, June 1.

Feel free to contact me directly with any questions.
